**Pima Community College Center for the Arts, West Campus**  
**2202 W Anklam Road, Tucson, AZ**

**Eligibility:**

Students from Southern Arizona and Northern Sonora are eligible to compete.

**Performing with COT:** The invitation of performers to play their solo with the Civic Orchestra is at the discretion of the Music Director, who considers multiple factors. These include availability of affordable orchestra parts, venue selected, and suitability of the competitors' pieces in the COT concert program. A student who wins a division of the competition is not guaranteed the opportunity to perform with the orchestra.

**Restrictions:**

- First-place Solo winners from last year's competition who did not perform a solo with the Civic Orchestra of Tucson (COT) accompanying them in concert are eligible to enter in the same Division and Category as in 2024.
- Solo winners from last year's competition who performed a solo accompanied by COT in concert during last year's season are not eligible to enter in the same Division and Category for which they won in 2023. However, they may audition in 2024 solely to receive comments from the judges.
- Solo winners in the Junior Division in 2023, who performed a solo accompanied by COT in concert during last year's season are eligible to enter this year's competition if they are now moving up to the Senior Division.
- When an entrant is selected to perform with COT, we request that the private music teacher attend rehearsal(s) with their student.
